Why do we do what we do?

There can be few, if any, leaders who haven't asked this question usually at a time of frustration when the best laid plans haven't gone according to plan or a misunderstanding has fractured relationships within the Company.

At our June District Executive we were challenged by the England region question what is BB which of course is the same question but looking for a 2013 description of what we do.

We do what we do, in many different ways to build up relationships in which young people may be influenced to take the first steps in faith.

We don't need to re-invent the 'Object' we just need to prayerfully dedicate ourselves to keep it in clear focus as to why we do what we do.

In Christ

After 9 years of fundraising and eight months in construction 'The Anchor', the purpose built headquarters for the 1st Rainford Company were officially opened by former Captain Alf Webster, located in the grounds of All Saints Parish Church in the centre of the village.

Company Captain Ian Lancaster says "Whilst I am grateful to the many businesses and grantmakers for their support the real good factor is the number of 'old boys' who came back to give their skills as bricklayers, joiners, electricians and plumbers. All because they remember the good times they had in the company.

Youth United Foundation

The efforts of the two development workers working in specified areas are starting to bear fruit. Some much so, the prospect of four new Companies being enrolled into the Manchester Battalion in the new session, caused the Battalions Training Team to organise a Special Youth Leader Training Course at a church in Levenshulme on Saturday 29 June and 13 July, some 26 leaders attended.

A very experienced Training Officer commented "I have to say this was the most receptive group I have had the privilege to teach".

We pray the roots will run deep.

OBITUARIES

MARTIN JOHN COATES MBE

(Age 57)

Martin was born into a BB family so it was quite natural that he should join the Life Boys in the 42nd Manchester (*St Matthews Parish Church, Crumpsall*). He served through the ranks and when he moved to Bury he became an Officer of the 1st Bury Company (*Whitefield Methodist*). He was very much involved with the Christian Endeavour House at Plas-y-nant, which gave him a love of the outdoors. He climbed Snowden 160 times!

He was Captain of the 48th Liverpool Company (*Linacre Methodist*) for some 21 years and at the time of his passing Battalion Secretary of the Liverpool Battalion and a member of the District Executive.

In 2003 he was awarded the MBE in the Queen's birthday honours list in recognition of his service to the DofE Award scheme in Sefton. Our deepest sympathy has been expressed to his wife Brenda, his children Sarah and Christopher (both Officers in the 48th) and his sister Alison.

REG LOCKETT

(Age 79)

Reg joined The Life Boys in the 11th Wigan Company – later designated 1st Bryn – at St. Peter's Parish Church in 1941.

He progressed through the various ranks to Staff-Sergeant.

After University and National Service he became a Lieutenant in 1959.

He served as a member of the District Executive 1961 – 1971 with a specialism for the Seniors Christian Leadership Courses (1960 – 1973) and the Queen's Badge Completion Courses.

He served a term as President of Manchester Battalion from 1973 – 1977

After service as District Vice-President 1971 – 1973, Reg was elected District President, a position he held for some 17 years. On his retirement 1990 he was appointed District Patron.

He served The Brigade at National level from 1978, again his specialism was in Senior Boy work through the KGV courses at Felden Lodge and The Leadership of 'Campus' at Durham in 1983, an International Seniors Gathering.

Reg was appointed National Vice-President in 1978, a position he held until 1999 when he was elected Brigade President. In this role he travelled extensively around the UK and the Republic of Ireland. At the time of his passing he was Brigade Honorary President UK and Republic of Ireland

Reg's Christian Service was not solely within The Brigade. He has served his Parish Church in varied roles, he was for some time an Organist and Choirmaster, and Licensed Reader for 43 years!!

In his professional life he had an exceptional career. First as a solicitor in a small town practice he became one of first solicitors in the country to be elevated to the Judiciary in 1970, first as a District Judge, then Circuit Judge and ultimately Senior Circuit Judge and Honorary Recorder of the City of Preston.

Reg was a source of great encouragement and inspiration to young people, and many will testify to taking their first steps in faith under his influence.

Reg was happily married to Edna for some 54 years. They have one son John and daughter Alison, and four Grandchildren, to whom we extend our deepest sympathy.

Edna and the family wish to thank all who sent letters and cards of condolence and made generous donations to Regs chosen charities.

The District Treasurer wishes to acknowledge the sum of **£1,120** received in memory of Judge Lockett

East Lancashire Scripture Competition

Three Companies took part in the Battalion Scripture Competition which had the theme "The Temptations of Jesus", the winners were 1st Burnley (*Greenbank Methodist*).

Company Charity Walk

The 1st Over Wyre (*Bethel URC, Presall*) raised £406.02 by holding a sponsored run/walk in aid of The Bridge Project a drop in centre organised by The Salvation Army in Blackpool to provide facilities for Homeless and vulnerable adults. Archie Hey one of our boys came up with the idea and we all helped by taking part.

The cheque was presented at the Salvation Army's Sunday service on the 23rd of June.
